You will find brochures with directions to Rhodes Grove, as well as details of all the activities of the day on the information table.

## Mission Opportunities

Be in prayer about being part of these needs: In late October, we will be replacing the soffet, facia, and shingles on Jeremy Reed's garage. On October 7 - 13, a team will be traveling to Kentucky to put a roof on a patio. If you can help with either or both of these projects, please contact Wayne Hawkins.

## Offering Envelopes

Please pick up your offering envelopes from the table. If you are not currently using the numbered offering envelopes, but you would like to begin using them, you are welcome to take an unmarked box of envelopes. Write your name on the envelope the first time you use them. For those who use these envelopes, a record of your giving is generated which can be used for IRS purposes.

## Helping Hand

Helping Hand Ministry is available to provide a meal due to death in the family. During August, contact Marie Hershey at 532-6454.

## Blanket Ministry

The Blanket Ministry is in need of blankets. If you have been blessed with the ability to knit, crochet, or any other means of creating a blanket, we would appreciate your help. We need to create a stockpile of blankets so that when the need arises, we can immediately share the love of our Lord by giving a blanket along with prayer for comfort and healing. We have a supply of yarn for anyone who is willing to help with this ministry. The yarn is located under the coat rack in the hallway by the library. Any size blanket will be acceptable. After you have completed your blanket, please contact Brenda Pellow at 530-1268. May God richly bless you as you reach out to give comfort to others.

## Board Packets

Packets of reports from the July meeting of the Local Board of Administration are on the table.

### Blessing of the Backpacks

Help is needed to make this event a success for the children in the community. If you can offer help in the kitchen, with the games, or with registration, please circle "B" on your Connection Card, or contact Wayne Hawkins.

See Kay or Tom if you have any questions, or for more information, or if you would like to participate in the walk.

### Heading to the Hospital?

Federal laws prohibit hospitals from distributing information without the patient's consent. A side effect of these laws is that unless you sign the right forms, the hospital will no longer contact us to let us know you are a patient. We want to respect your privacy, but we also want to provide pastoral care during your hospital stay. So, if you are heading to the hospital, and would like a pastoral visit, please contact the church office, or clearly instruct the hospital that you would like Prince Street Church contacted. Thanks so much for your help.
