### Young Adults Class

Men and women know they are different, but what can they do about these differences? In a refreshing and humorous way, authors, Bill and Pam Farrel explain why a man is like a waffle (each element of his life is in a separate box), why a woman is like a plate of spaghetti (everything in her life touches everything else), and how the differences can work for you. Come join us downstairs in the rooms off Fellowship Hall starting Feb. 7th as we go through the book, Men are Like Waffles, Women are Like Spaghetti. There will be various facilitators for these sessions. Come prepared to learn, laugh, and pray together.
