

Why Prince Street Church exists:

Prince Street Church exists to **glorify God** by preparing **healthy, growing, reproducing** disciples of Jesus Christ.

What's that mean?

Glorify God: We're not about being the best church in town. We're not about having the best worship services, ministries, or staff. We're not about anything that brings us credit. PSC isn't about us. It's about God. It's about increasing His fame. It's about bringing Him glory. It's about building His Kingdom.

Healthy: Simply put, our definition of a "healthy disciple" is Jesus. He showed us what living out God's priorities looks like. There are three specific criteria we need to look at. Do we think as Jesus thought? Do our attitudes reflect Jesus' heart? Is our lifestyle consistent with Jesus' behavior? This is our definition of health.

Growing: None of us is what God wants us to be. None of us are even what we want us to be. But by God's grace, we are not what we were. This is the process of growth. As we study God's Word, we begin thinking more like Jesus. As we apply what we learn, our attitudes become more like Jesus'. As we are encouraged by each other, our behavior becomes more like Jesus'.

Reproducing: Healthy, growing things reproduce. It's true of crickets, oak trees, and disciples. So, this is our measurement of success. As we grow into more healthy reflections of Christ, we will find ourselves naturally reproducing ourselves in the lives of others.
