### Porter Samaritan Fund

PSC maintains a fund to meet the financial needs of the church family and extended church family. If you have a need or are aware of the need of another, application for assistance can be made to the Porter Samaritan Fund. Applications are available at the church office and also in the Porter Samaritan folder in the mail cart located at the back entrance of the church. All applications are kept strictly confidential.

When there are five Sundays in a month, the Sunday School offering from the fifth Sunday is designated for the Fund. If you would like to give at other times, use a pew envelope marked with "Porter Samaritan Fund" and your name.

In the first quarter of 2019, the Fund disbursed a total of \$400.00.

### **Creation Music Festival:**

On June 25th-30th PSUth will be taking a group of high school students to Creation Music Festival. There are a couple areas that the Youth Ministry could use the support of the church. The first would be volunteering as a leader for the event. At the moment the main need for a volunteer is one more female leader. If you are interested in helping in this way please contact the Pastor of Student Ministries and Visitation by email or by calling into the office. The second way you can support this trip is by donating food supplies for the time we will be there. Starting next Sunday, May 19th, there will be a donation list of the food supplies needed in the back of the Sanctuary.

### **Student Local Missions Week:**

PSUth will be doing some local missions here in our own neighborhood the week of June 9th-14th. PSUth will be teaming up and hosting the Student Ministry from Orchard Church, coming from Delaware. There are three ways we are seeking help. The first would be if there are some families that would be willing to allow the leaders and students from out of town use your shower. The time for showers would be set in the schedule for the same time each day. The second area of support would be providing a dinner. The Student Ministry coming will have supplies for their own breakfast and lunch, but we are searching for people who would be interested in providing a meal one of the nights. The last support would be if you have any work around your house that needs done. We already have some work set up at local organizations around, but we would also like to bless people individually as well with our work week. For more information, or if you are interested in helping in any of those three ways, please contact the Pastor of Student Ministries and Visitation.
