### Office Schedule

The church office will be closed on Monday, May 27th for the Memorial Day holiday.

### Are you anxious?

The NEXT Class will be starting a series by Max Lucado entitled *Anxious for Nothing*. This is a five-session video Bible study exploring God's treatment plan for anxiety found in Philippians 4:4-8. We will be learning on how to not let anxiety dominate our life but can just be a part of it and being able to experience God's peace. We meet on the top floor off the LIFE classroom and our attenders are young adults out of high school into their early years after college. If you have questions, please see or contact Amanda Clevener.

### Creation Music Festival:

On June 25th-30th PSUth will be taking a group of high school students to Creation Music Festival. There are a couple areas that the Youth Ministry could use the support of the church. The first would be volunteering as a leader for the event. At the moment the main need for a volunteer is one more female leader. If you are interested in helping in this way please contact the Pastor of Student Ministries and Visitation by email or by calling into the office. The second way you can support this trip is by donating food supplies for the time we will be there. There is a donation list of the food supplies needed in the back of the Sanctuary.

### Student Local Missions Week:

PSUth will be doing some local missions here in our own neighborhood the week of June 9th-14th. PSUth will be teaming up and hosting the Student Ministry from Orchard Church, coming from Delaware. There is one way we are still seeking help. That area of support would be providing a dinner. The Student Ministry coming will have supplies for their own breakfast and lunch, but we are searching for people who would be interested in providing a meal one of the nights during that week. For more information, or to set up making a meal, please contact the Pastor of Student Ministries and Visitation.

### Block Party

One of the last ways that both PSUth and the student ministry from Orchard Church would like to serve the community on their local missions week is through hosting a free family friendly block party. The Block Party will be Friday, June 14th from 5-9pm, and is weather permitted. We are looking for support at the event, advertising the event, and would also love to see you at the event. We will have a bounce house, games & prizes, face painting, food and an outside family movie with popcorn! Please bring a blanket or lawn chair for the movie. Weather permitted text: "@pscblock" to 81010 for updates. Flyers will be in the back of the Sanctuary. For further details/questions please contact Pastor Seth.
