Are you anxious?

The NEXT Class will be starting a series by Max Lucado entitled *Anxious for Nothing*. This is a five-session video Bible study exploring God's treatment plan for anxiety found in Philippians 4:4-8. We will be learning on how to not let anxiety dominate our life but can just be a part of it and being able to experience God's peace. We meet on the top floor off the LIFE classroom and our attenders are young adults out of high school into their early years after college. If you have questions, please see or contact Amanda Clev-er.

Creation Music Festival:

On June 25th-30th PSUth will be taking a group of high school students to Creation Music Festival. There are a couple areas that the Youth Ministry could use the support of the church. The first would be volunteering as a leader for the event. At the moment the main need for a volunteer is one more female leader. If you are interested in helping in this way please contact the Pastor of Student Ministries and Visitation by email or by calling into the office. The second way you can support this trip is by donating food supplies for the time we will be there. There is a donation list of the food supplies needed in the back of the Sanctuary.

VBS Items

Any items that the VBS crew borrowed from church attenders for VBS, can be picked up after VBS in the VBS workroom. Thank you for your support.
