Mission Focus

The purchase of a new building to house the International Academy (where Deb and John Siegel have administrative roles and teach) did not occur due to lack of funds necessary to purchase a building. The school now can only rent 3 floors of the building they have occupied for the past 5 years plus the contracts of 13 paid staff could not be renewed for the 2019-2020 school year. They are moving forward trusting God to enact his perfect plan for all involved. Be in prayer also for Deb for she is helping another service group that closed get organized and the opening of school in September.

Jake, their son, has served as a missionary in Africa. He will be transitioning back to Los Angeles to search for a job and hopefully to do some refugee work as well. Please remember him in your prayers.

.Creation Music Festival:

On June 25th-30th PSUth will be taking a group of high school students to Creation Music Festival. There are a couple areas that the Youth Ministry could use the support of the church. The first would be volunteering as a leader for the event. At the moment the main need for a volunteer is one more female leader. If you are interested in helping in this way please contact the Pastor of Student Ministries and Visitation by email or by calling into the office. The second way you can support this trip is by donating food supplies for the time we will be there. There is a donation list of the food supplies needed in the back of the Sanctuary.

Live Stream

Due to the lack of volunteers for our 8:30 am service we will not be live streaming our service beginning July 7th, 2019. We will still stream our service at 11:00 am. Please pray for additional volunteers and if your willing to help see Ryan Thomas.

Holy Communion

Sunday, July 7, we will be observing the Ordinance of Holy Communion during both morning worship services.
