Mission Focus

Pastor Obregon is a United Brethren pastor in Guatemala. He had served as a church planter in this country since 2000. His recent church was located in San Antonio, Suchitepequez, a three- hour drive from the capital of Guatemala City. Many people were hearing the gospel and coming to know Jesus as their personal savior. Tragedy struck when he was killed by a local sorcerer/witch-doctor. Pray for his family and a very new congregation. Pray as they mourn his loss and seek to reconcile what took place in a country that is overwhelmingly Christian. Pray that this tragic event might be transformed for God's glory, and many would come to know Christ as Lord and Savior.

Continue to pray for the families affected by the tragic events that has happened in El Paso and in Dayton.
