Missions Focus

Marilyn and Roger serve as Global endorsed missionaries who serve as Wycliff Bible translators. Although they are based in La Ceiba, Honduras, their work includes training and consulting with other countries. Currently, the coronavirus has the government of Honduras under a complete shut down. Hospitals in Guinea Bissai, West Africa and in Venezuela are experiencing the same critical conditions we are facing here in the US, but on a much larger scale. Hospitals are few along with shortages of medicine and medical supplies. Pray for their daughter, Christy, who is working as a nurse in a mission hospital ministering to many poor and homeless patients.

The Reecks are currently home in the states and have made a decision not to return to Honduras right away. Currently they are residing with their daughter, Amanda, in San Antonio. They are doing most of the work through the internet. Pray also for their daughter, Amanda, who is caring for many Coronavirus patients in a hospital based in San Antonio.

UB Global Easter Missions Project

This year's Easter Offering will go towards the purchase of a generator for Mattru Hospital. We acknowledge that this is a time of insecurity and suffering for many, but we still want to go ahead and tell the story of what God is doing in Mattru and give the opportunity for those who have the capacity to give.

We have provided two links. The first will take you to a video you can view and post to whatever social media platform you use. The second is to our giving page, where you can choose "Easter Offering" from the purpose menu in order to give. Of course you can also send a check to us at:
