Missions Focus

John and Deb work in St. Petersburg in Russia. They work at the International School located there. Sadly, the school has gone through many changes. Now, the school is being forced to move from their present building by the end of the school year. The staff, however, has secured another building which will allow time to make the necessary remodeling for school to start again in September.

John and Deb plan to return to the states sometime in June. They previously planned to do this earlier but travel restrictions due to the virus prevented their return. Once settled in their home in Pettsville, they plan to visit as many churches as possible to explain their ministry in Russia.

John and Deb will be in need of a vehicle once back in the states to be able to visit as many churches as possible. If you have, or know of someone that may be able to donate a used vehicle to them, please notify the church office.
