### Thank you!

A heartfelt thank you, I had health issues since last June; prostate infections, bladder issues, blood clot in the heart, and atrial fibrillation along with 5 stays in the hospital. God answered prayers. Your prayers, cards, & phone calls have lifted me up in spirit, shown me your loving kindness that could only come from GOD inspired people who love the Lord. I am now healed with my heart back in rhythm and other issues resolved. I praise GOD for the opportunities through the health difficulties to share HIM with my caregivers. Thank you for all the faith you have that GOD would see me through. Keep being the loving "Church" that GOD wants us to be.  
Steve Brenize
